

CHRISTMAS GREETINGS FROM THE BENELUX and the invitation to our Silver Jubilee.

Twenty five years ago, (1994) our dear friend, Dr.Stan Jesmiatka (+2014) set up the IFFR section Benelux. He was our president for many years.

Benelux means: Belgium, the Netherlands and Luxembourg. We are the smallest countries of Europe. That's why we joined together as one section.

All IFFR members of the world are invited to our anniversary party and fly-in on 24, 25 and 26 May 2019 to celebrate our silver jubilee.

Be quick, the registration is limited to 65 persons. The registration form and final program will be announced end of January.

The arrival on Friday 24 May is at EBBT Brasschaat, a picturesque airfield with a grass runway 16/34 and 799 meters. For several years it was still military and we visit the gunfire museum.

For your information:

Brasschaat is nearly 20 km north of Antwerp and Antwerp is nearly 35 km north of Brussels (Belgium).

On 25 May we visit Antwerp, the second city of Belgium and the second port of Europe. In the evening there is a gala dinner with musical entertainment.

On 26 May after breakfast you will all receive a lunchbox, the party is over and you can maybe stay some days in Antwerp and prepare yourself for the Rotary International Convention Hamburg, Germany from 1-5 June 2019.

Wishing you all the best:

Hub van Heur, president IFFR Benelux.
