

**June 2021**

To: IFFR Worldwide Membership  
From: World President, George Chaffey

June 30, 2021  
Coming At You

Things are now happening...Fast!

**Southwest Section – Sacramento Fly In (June 12-13)**

We flew in to McClellan Field in Sacramento, California, rode trains, and saw a fabulous NASA display regarding the Mars exploration.

Last month you saw the group and Tim “Top Gun” Pinkney in front of a EA-6B Prowler Tim flew on the last carrier landing of the Vietnam War. This month we saw a more angelic side of Tim. Tail winds and halos to you.

### **Alaska Section – Airstrip Maintenance. (June 19-20)**

Led by Chair, Al Clayton, Alaska IFFR members flew to May Creek Strip for a fly out and maintenance party. Like an old fashioned barn raising. Photos later.

### **Houston Convention, IFFR Hotel –We got the Best (June 4-8, 2022)**

IFFR got its first choice of Convention Hotel— Hilton Americas. It’s the closest hotel to the Convention center; you can walk to the Convention over a catwalk without even going outside. WPE George Ritchie is in

charge of hotel arrangements. Look for announcements from him soon.

### **Special General Meeting (SPM)—December 2, 2021.**

Save the Date for the second annual mid-year, virtual General membership meeting Thursday, December 2 (it will be December 3 in Australasia-Asia). Stay tuned.

## Travels with George --- July 11 – October 23.

Yes, on the road 3 ½ months. WP George takes off on July 11 for an 11,000 mile trip around the United States in his 100-mph 1948 “stick & rudder” Luscombe—touching every corner of the country and attending the Oshkosh AirVenture. And, in between, he’ll fly with wife Carol to Europe (commercial) to attend IFFR fly ins in Denmark, Germany, Italy and Netherlands...and wherever else things are going on. Watch for news.

Wherever you are, if you hear a small plane, look up and wave.

As PWP Phil always says: Fly Well, Fly Safe, Fly Often.

Tail winds to ya’,

*George*
